- Limit of Liability – Per Claim and in the aggregate for the selected Policy Period.
- Retentions - Side A (Nil); Side B; Side C
- Retroactive Date / Continuity Date
- Governing Law / Jurisdiction / Service of Suit
- Order of Payments

Who is an “Insured Person”?

- Not a “Closed List”.
- Any Past, present or future director, external director, non-executive director, or observer.
- any “outside director” acting on behalf of the company or an “outside entity” at its request company.
- any “non-salaried director” in accordance with a management / consultancy agreement.
- Members of any committee appointed by the board (remuneration, investments, advisory board).

Coverage Extensions – Not only Legal Claims

Defence Costs, Investigation Costs, Emergency Costs, Regulatory Crisis Costs, Enforcement Proceedings, Derivative Claims / Investigations, Insurable Fines and Penalties, Crisis Consultant Costs, Prosecution Costs, Emergency Costs, Environmental Liability, Loss Mitigation Costs, and more.

Changes in Risk

- Automatic Coverage for New Subsidiaries
- Change in Control (M&A / IPO) > Automatic Run-Off

Importance of Pre-Agreed “Run Off” / “Discovery Period” Conditions

Run-Off for Retired Directors

If the policy is not renewed or replaced, an unlimited run-off period shall be provided for any director or officer of the company who have ceased to act in their capacity as such prior to expiry of the policy and for reasons other than disqualification from holding office or from managing a company on grounds of fitness or propriety, by a regulator or a competent court.
